Email How did you hear about us?

Core Business Activity

Is the building leased? If yes, you will require approval from your landlord (State owned assets are not eligible) Yes No

I have attached a copy of our recent electricity bill (all pages) I have attached a floor plan (or evacuation plan) of our building

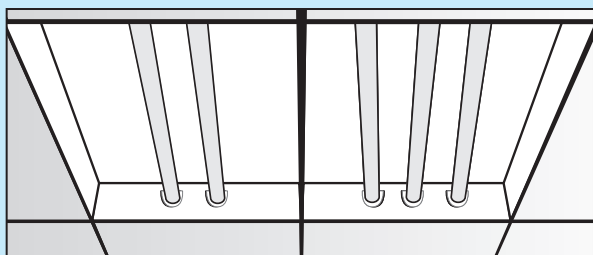

If possible please include photo's of current lighting.

I understand that by completing this form I agree that If the Retailer Energy Productivity Scheme (REPS) rebates cannot be claimed by the Installer due to a previous claim at my premises, I may be billed the full cost of the lights and installation. I also understand that if the tubes are changed over the wiring of the existing troffer will need to be modified to ensure the LED Tubes are compatible with the existing fitting and that these works may void the manufacturer's warranty of the original luminaire. I understand that Trades Services SA (TSSA) offers a full 2 year product and Installation warranty on all lighting works and new High Bay Lighting with a minimum 5 years.

Customer Signature Date / /
